I was looking for the word that people use when saying they racked their brains. This doesn't confirm or deny it.

*3 a : to stretch or strain violently <racked his brains> * from Merriam-Webster's Collegiate® Dictionary Edition: 11.

I hope this will be helpful

I couldn't remember if it was "racking my brain" or "wracking my brain."

I looked this word up because I am trying to figure out if it is the correct word for noting the sound of a pump action shotgun, or if it is merely the thing you hang your shotgun on.
